

First Grade Match-it Game

Cut out each picture and info card to play your own Match-It game!

I am the American national bird and a symbol of strength

I was the 16th American President and I ended slavery

I started with only 13 stars, and you can see me waving from a far.

I was elected the 1st American President and named "Father of our Country"

I was made in France and sent to America to welcome people to the land of liberty

I was built to honor President Washington and I stand tall in Washington D.C.
